

# South Dakota Health Education Standards and Assessment Training

## On-Line Training

**November 1-30, 2007**

**Attendance and Participation:** The Health Education Standards and Assessment Training will be held over a four week period. Participants should expect to:

- Spend 3-4 hours per week on-line;
- Participate regularly in on-line discussions;
- Complete all activities and assignments according to the schedule provided on the site;
- Complete an on-line evaluation;
- Receive a participant manual;
- Receive a set of SD Health Education Standards Classroom posters.

## Technical Requirements:

- Computer with Internet Access;
- Computer capable of using Microsoft Internet Explorer, version 5.0 or higher;
- High speed access preferred; High-speed dial-up is adequate;
- Valid email account;
- Word processor (Microsoft Word or rich text format).

**The Vision for South Dakota Health Education Standards is** "To improve educational achievement and the health of South Dakota students, by developing students who are health literate." A Health Literate Student is:

**\* A critical thinker and problem solver**

**\* A self-directed learner**

**\* A responsible productive citizen**

**\* An effective communicator**

**Target Audience:** Health Teachers, PE Teachers, Elementary Teachers, Special Education Teachers, Curriculum Directors and Administrators, School Counselors, School Nurses, Family and Consumer Science Teachers, Extension Educators. This course will be limited to 25 participants.

## **Health Education Standards and Assessment Training participants will:**

1. Exhibit competence in understanding the SD Health Education Standards including the core concepts and skills categories;
2. Describe the importance of aligning standards, assessment, and instructional activities;
3. Practice scoring student work;
4. Differentiate between assessment for the purpose of accountability and assessment for the purpose of instructional improvement;
5. Learn the skills and components of a web-based course.

**Credit Information:** Pending approval, the SD Health Education Standards and Assessment On-Line Training is offered for one graduate credit through Augustana College for \$50.00 or for Teacher Renewal Credit through the SD Department of Education at no charge. Participants may also take the course for no credit. **Note: You are not eligible for credit if you have already taken this course for credit through a face-to-face class.**
